

## Frequently Asked Questions

### How much is the lease fee?\*

There is a \$12.50 monthly fee for an 80-gallon water heater and \$14.00 monthly fee for a 120-gallon water heater. Refer to the chart to determine your best option.

### Is there an upfront charge for installation?

No.

### What does the monthly lease fee cover?

The TempAssured lease fee includes a new tank, installation as a part of the Standard Plan, replacement if ever needed, free maintenance, and free emergency repair service 24 hours a day, seven days a week. We'll even remove and dispose of the old water heater.

### How long will the tank last?

On average, a UI high-quality, energy-efficient tank lasts over 20 years — 2 to 3 times longer than a standard tank you can buy at a home improvement store.

### More Questions?

Call **866.862.2978** and speak to a water heater lease specialist.

With UI's TempAssured, Worry-Free Water Heater Lease, you'll have reliable and energy-efficient hot water with emergency repair service available 24 hours a day, 365 days a year, with no repair or replacement bills to pay. Try getting that deal with a store model!

## Time for a New Water Heater?

Does your water heater leave you with a cold shower? Do you dream of a reliable water heater but simply can't find a way to fit it into your budget?

With UI's TempAssured Worry-Free Water Heater Lease, that dream can become a reality. Many people turn to leasing because of the reduced maintenance cost, convenience and worry-free service. It's easier than ever to save energy, go green and enjoy the peace of mind that comes with a brand new water heater – with 24/7/365 service at no additional cost!

### UI WATER HEATERS

- Operate at night when electricity rates are lower.\* Extra-thick insulation helps keep the water hot all day.
- Are built to last 2 to 3 times longer than retail models.
- Provide all the hot water you'll need for bathing, dish washing and laundry.
- Are professionally installed by a member of our service team who will also dispose of your old water heater.
- Come with emergency service and repairs. Just call UI and we'll be there — even if it's the middle of the night or the middle of a long holiday weekend.
- Include FREE lifetime maintenance. Service calls are free of charge.

\*Pertains to customers who are on Time-of-Use rate. To inquire about Time-of-Use rates, call -800-722-5584.

## The TempAssured Water Heater is Top-of-the-Line

You choose the size of the water heater that's right for you and we will provide the installation, repair and replacement (if ever needed) – with no additional charges or service fees – all for one low, monthly fee. The illustration below highlights the features of the top-notch TempAssured water heater.

### NEW! Electronic Controller

Digital display for easy access to temperature adjustment, diagnostics and an energy-saving vacation feature to save energy and money when you are away!

### Heat Trap

Prevents unnecessary heat loss, improves efficiency and reduces operating cost.

### Bronze Fittings

Eliminates corrosion due to dissimilar metals. No dielectric unions or sacrificial anode rod required.

### Plastic Jacket

Rust-free, light weight all plastic outer jacket is easy to clean and maintenance free.

### Cement Lining

Hydrastone lining absorbs and traps water, which then loses its oxygen and becomes inert, thus preventing tank corrosion. Proven to be the longest lasting tank lining in the industry!

### Commercial Grade Elements

Copper and brass low-watt density construction provides long-life heating, even with hard well water.

### Cold Water Diffuser

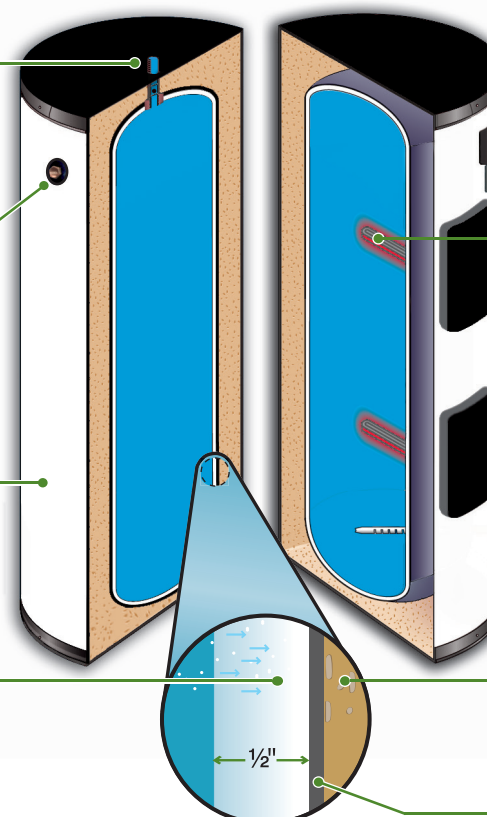

Gently diffuses incoming cold water and prevents turbulent mixing to ensure sufficient hot water is available for use.

### Premium Foam Insulation

3" thick foam insulation for high efficiency operation.

### Heavy Duty Tank

Our tanks are made with the thickest gauge steel on the market, providing industry leading longevity.

### What Size Tank Do You Need?

TANK SIZE	TANK DIAMETER	TANK HEIGHT	FAMILY SIZE	MONTHLY FEE
80 gallon	28 inches	59 inches	2-4 adults	\$12.50
120 gallon	30 inches	70 inches	5+ adults	\$14.00
